

## Accessories - Power Supplies

### Power Supplies

Brainboxes offers a variety of accessories that are compatible with various devices. Our products are supplied with everything you need to get started but you may require additional accessories depending on your application.

All our power supplies are available to be purchased separately with no minimum order quantity. If you are unsure about any alternative power supply requirements please speak to the sales team.

PW-500 and PW-800 power supplies come as standard with your purchase of the corresponding Brainboxes product.

All Brainboxes products with Screw Terminals are designed to be wired into existing infrastructure and so the PW-600 and PW-650 are not supplied as standard with these products.
